

Express each of the following using a regular expression and draw the corresponding Finite state machine

1. The set of strings of one or more 0's followed by a 1
2. The set of all strings of 0's and 1's ending in 00
3. Set of all strings starting and ending with 00 or 11
4. All binary strings with at least one 0
5. All binary strings with at most one 0
6. All binary strings starting and ending with 0
